**ALTHEORA** is the French leader in composite material applications. Since 1934, the Group has been known for its development of specific tools in construction and public works (switching boxes for electrical, gas, telecommunications, and other applications). The Group also developed expertise and cutting-edge technology in such wide-ranging and exacting sectors as railways, aeronautics, automotive, healthcare, recreation, and urban outdoor furnishings. It also has an innovation laboratory to co-develop new products with its clients that respond to the needs of tomorrow, such as new types of mobility or smart cities.

ALTHEORA offers solutions that are 100% integrated, from R&D on through to production. The Group benefits from the know-how of its employees spread across four sites in the Auvergne-Rhône-Alpes region, as well as one site in Romania. It currently supports more than 500 clients outside of France, and in 2020 it won an award for the best innovation in the Design & Furniture category of the JEC Innovation Awards.

*The company is listed on Euronext Growth — ISIN Code: FR0000061244 – ALORA*
